

AP World History - Summer Assignment 2024

Hello and Welcome to AP World History: Modern!

My name is Ms. McVey and I will be your teacher for the 2024-2025 school year! Some of you I already know and some of you are new faces. In this course, you are required to complete a summer assignment. The summer assignment for this course will encompass information for Unit 0: Pre-1200. This is basically 10,000 BC to 1200 AD. Please keep in mind that the AP World History curriculum uses BCE & CE to denote time periods. BCE means "Before the Common Era" and CE means "Common Era." They are the same time periods as BC and AD. Directions and pertinent information are listed below! All assignments are due on their allotted due date. Failure to turn in the assignment is grounds for removal from the course. If you have any questions, please contact me at cmcvey@cmhs-sarasota.org.

Textbooks: The course textbook will be provided to the students at the beginning of the school year. You may purchase a hard copy of the text if you would like.
